

SUMMER CAMP 2017

HOW TO REGISTER...

All registration forms must be sent by mail, fax or done online at our website, www.bevrec.com. Please choose one option! Use the form in this brochure or download one from our website.

We will start accepting registration forms right away (you can send it today!) and will continue to accept forms until **4:30PM on Monday, February 6**. As registration is received in our office, each family will be assigned a number. If multiple families are received in the same envelope, each will receive a separate number.

Non-resident registration is accepted starting May 1st. Please add 20% to the regular session rates.

On **Tuesday, February 7** we will pick numbers at random and register the family with the corresponding number. If the session you selected is full when your number is selected, we will go to your second choice or wait list you according to the information you have given us on your enrollment form. After February 7 registration will be processed on a first come, first served basis, but should still be mailed or done online.

SEND NO MONEY AT THIS TIME. Once the lottery is complete you will be notified about which session(s) are confirmed or wait listed and the deposit amount due (based on \$100 per session, per child). No deposit will be required for wait listed sessions.

A deadline for receipt of the deposit will be in March, 2017. Written confirmation will be sent as soon as your registration is processed. Allow 3-4 weeks.

The \$100 deposit per session, per child is **NOT REFUNDABLE or transferable to another session** if you cancel at any time after registration has been processed.

Space is limited in every camp. Some camp sessions will fill up the first day of registration and we cannot guarantee that every applicant will receive their first choice sessions!

Our office will not be open to the public on Tuesday, February 7 so that we can process registration quickly and efficiently.

We will send you a confirmation by February 20

Please do not call the office about the status of your registration before this date.
