### **PLEASE NOTE:**

- Applicants DO NOT need to have prior experience as a CIT (Counselor In Training) at Beverly Recreation or any other program. This type of training is advantageous, but it is not mandatory.
- Applicants must be at least 16 years old at the start of the camp/park season to be considered for employment.
- Each new applicant must submit three (3) letters of recommendation from non-relatives who can attest to their ability to do the job they are applying for.
- Any offer of employment is conditional upon attending a mandatory orientation, which will include, but is not limited to, sexual harassment training.
- Applicants for all summer positions must be available to work for the entire summer season. Due to limited staffing, vacation time cannot be scheduled while summer programs are running. Please read our "Days Off Policy" and share it with your guardian(s).

### **INTERVIEWS:**

Prospective employees as well as returning employees seeking changes must plan to be interviewed in March, April or May. Interviews will be held during office hours, Monday–Friday, 8:30AM-4:30PM, and/or on weekends, and/or during school breaks. Every interview will include two parts. The first part is a one-on-one conversation with Beverly Recreation supervisory staff to find out more about your experience and skills. The second part of the interview is a group planning session with a few other applicants to be guided by Beverly Recreation staff. Participation in both parts of the interview process is required in order to be considered for employment. We will try to accommodate your interview availability, but this may not always be possible. We appreciate your flexibility in adhering to your scheduled interview time(s).

### **LIFEGUARD APPLICANTS:**

Lifeguards are needed through Labor Day. Preference is given to guards who can commit to the entire season. Please indicate on your application, the last date you are able to work and why you must leave.

# **APPLICATION DEADLINE: MARCH 16, 2018**

# Beverly Recreation Summer Camp & Playground Program Employee

## Days Off Policy

### Introduction

When you accept a camp or playground job at Beverly Recreation, you do so acknowledging that you are making a commitment to work each day, Monday-Friday, for the entire eight week season, and attend all mandatory orientation days. We expect you to honor this commitment and not take days off.

We realize that participation in sports, summer classes and college orientation are important and often, required, events in your life. When it is possible and we are sure this privilege is not being abused, we are willing to give you time off and find a substitute to work in your place.

We encourage you, whenever possible, instead of taking an entire day off, to work a half day or some amount of time.

### The Process

Years of service and past days off history will be factors in the decision to grant time off to an employee.

We consider time off to be an earned privilege, so employees with 5+ years of service (**not** including C.I.T. or volunteer contributions) will be eligible to take time off for family vacations and will have their requests considered before employees with less than 5 years of service.

We are unable to grant more than one week off, total for the 8-week season. We cannot accommodate requests for absences that encompass an entire camp session.

We prefer that you submit your request for time off before orientation. If this is not possible, we prefer to have at least one week's notice of your time off request. We may not be able to accommodate requests that are submitted less than one week before the absence.

Requests for time off must also be accompanied by proof of the event.

***All requests for time off will ultimately be the decision of the Recreation Director.***

### What is Allowed

We will permit time off so you can participate in a sports team, attend college orientation, take a summer class, complete a short internship, or go to a sports or themed camp.

We may allow time off for family obligations such as weddings or reunions if they do not last for more than one day and that day is a Friday. Again, we encourage you, instead of taking an entire day off, to work a half day or some amount of time.

### What is NOT Allowed

We will not permit time off for mental health days, concerts, time away with friends, or family vacations that last for more than one day when you have not put in 5+ years of service.

No time off will be granted on Lip Sync night.

Special event days, camp trip days or day one of a new camp session are days that we prefer not to allow time off.

### Penalties

If a day off has been granted, and it becomes known that the reason for the day off does not meet the qualifications above, the Recreation Department may dismiss the employee.

If an employee takes time off that has not been approved, the Recreation Department may dismiss the employee.
