### WEDNESDAY, AUGUST 2 - LOBSTER FESTIVAL

#### NOON-2:00PM: THE REMINISANTS

The music of the 50s and 60s will come alive with their renderings of rock 'n' roll tunes. Considered by many as the best oldies band in New England, The Reminisants have been the opening act for such legends as Bill Haley and the Comets, the Bel-monts, and the Platters.

#### 3:00-5:00PM: TED SOLOVICOS & ROSEMARIE

Come to the Beverly Homecoming Lobster Festival and enjoy the acoustic rock music performed by Ted Solovicos and Rosemarie. Ted has performed in many venues with several different bands all over the North Shore.

Justin Lewis Entertainment states, "With their stellar three-part harmonies, Rule of 3 celebrates some of the best songs of the sixties through the eighties, and they serve it up 'unplugged-style'. By the end of the show you'll find yourself tapping your foot, and singing along!"

### SATURDAY, AUGUST 5

### SUNDAY, AUGUST 6 - LAST DAY & FIREWORKS

#### 1:00-3:00PM: FROGGY & THE FRIENDSHIP

Long-haired Frog and Nick seem to battle for who can be more over-the-top with their entertaining. Nick splatters on the street while Frog continuously spastically sings about being a crazy guy (in "I'm A Crazy Guy"). They're like a Frank Zappa band with Red Bull energy. They bounce off the non-existent walls rivaling the Mighty Mighty Bosstones with their energetic performance.

#### 4:00-6:00PM: VENUS MARS PROJECT

Imagine music that combines the rawness and unpredictability of the rock world with the glossiness and catchy hooks of the pop world. Singer/songwriter Jacyn Tremblay and guitarist/singer/songwriter Peter Tentindo have come together from their respective sonic realms to create a truly unique and thought-provoking new musical experience called the Venus Mars Project.

#### 7:00-9:00PM: HORIZON

A perennial favorite, Ray Novack's Horizon has everyone up and dancing, even at Lynch Park. Ray plays all the best from the last four decades with style and pizzazz.

### GRAND FINALE FIREWORKS AT 9:00PM
