

NORTH POLE CALLING

Imagine your child's surprise when s/he finds out that Santa is on the phone for them! This program offers Beverly children ages 2 through 7 an opportunity to speak directly with Santa Claus! Santa would love to call your child and send a special holiday greeting. This is the perfect opportunity to recognize a positive behavior or send a special message. It has become a great tradition. Feel secure knowing that Santa's helpers in our office shred all forms after calls have been made.

Please return the completed form below no later than Friday, December 7th.

Calls will be made December 19 & 20, 5:00-8:00PM. Due to the large number of calls, Santa cannot say exactly when, but young children will be called first. If you know that you are unavailable on some of these dates, please include that information. ***Please fill out a separate form for each child.***
